

Jubilee Chapter No. 838

Warranted 15th December, 1977

It was quite appropriate that in the Silver Jubilee year of the Queen's Coronation, the Founders' should choose a name in keeping with that Royal Event.

Not surprising, the main support for a Petition came from Members of the KEYNSHAM Chapter No. 678, the MWS Designate, Ill.:Bro. Clifford Henry Savage, being a Past Sovereign of that Chapter.

The Chapter was Consecrated on 14th March, 1978.

Current membership is 26.

The Chapter meets at the Masonic Hall, Keynsham on the third Friday in February, May and September (18-15hrs)
